

IPDET

International Program for Development Evaluation Training

Jul 15 – Aug 2
2019
Bern

An executive training program in development evaluation, managed by the Center for Continuing Education at the University of Bern, the Center for Evaluation and the Independent Evaluation Group of the World Bank.

Core Course | July 15- 19
Comprehensive introduction to evaluation

Workshops | July 22 – Aug 2
Intense sessions on specific skills and topics

Delivered by renowned international faculty.

IPDET pursues the goal to provide managers and practitioners in the field of evaluation with the tools required to evaluate policies, programs and projects at the local, national, regional, and global levels, as well as to commission, manage and especially use those evaluations for decision-making.
